FEATURES AND BENEFITS

- Extreme temperature resistance
- Ozone resistance
- Good compression set characteristics
- Radiation resistance

APPLICATIONS

- High & low temperatures environments
- Outdoors
- Electrical insulation
- Environmental insulation
- High physical properties
- Lower compression set

TYPICAL PROPERTIES

- Thickness: 1/64" through 1/4"
- Color: Orange
- Temperature Range: -80 to +500°F
- Durometer Range: 30-70
- Tensile Range: 750-900 PSI
- Weather Resistance: Excellent
- Oil Resistance: Fair

- UL 94 HB gasket
- UL 94 V-0 foam

We are Modus! With multiple locations in North America and China, Modus Advanced, Inc. is a diversified custom manufacturer which converts EMI Shielding, Environmental Gasket Materials, Microwave Absorbers, Acoustic Materials, Thermal Interface Materials and other high performance materials into finished parts. Modus utilizes its 40 years as an established provider of high quality, reliable products to create precisely what customers specify. Innovative processes; custom fabrication utilizing performance materials; an on time delivery record of more than 99% means Modus is well positioned to help your company succeed.
